Unit #130, 244 Dalton Ave., Kingston, ON

# Our Expertise

**TOOLS**

**WATERPROOFING**

**CONCRETE**

**FIRESTOPPING**

**WALL COATING**

**ABRASIVES**

**AIR BARRIERS**

**POLYETHYLENE**

**SAFETY PRODUCTS**

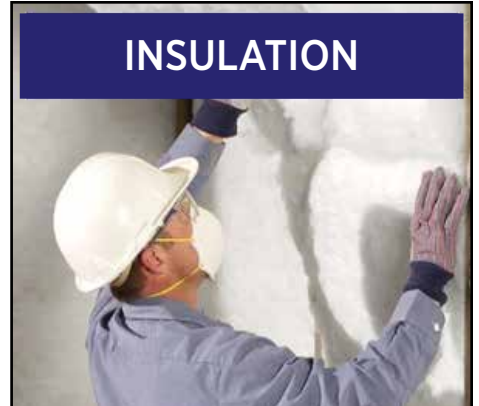

**SIDING**

**ROOFING**

**INSULATION**

We are constantly adding to our product lineup. If you don't see what you are looking for, give us a call!

# Sealants

## Polyurethane

Dymonic 100 is a durable, flexible sealant that offers excellent performance in moving joints and exhibits tenacious adhesion once fully cured.

## Silicone

Tremco's silicone sealants provide a full range of products for all of your exterior building needs.

## Interior

Whether you are looking for an interior finish caulking or a bathroom/kitchen silicone, we have the answer

## Siding & Eavestrough

Tremco 830+ provides a wide colour selection for siding applications, use with sill trim, flashings, fascia, J-trim, F-channel, perimeters of wood, PVC, and aluminum residential windows and doors.

Gutter Seal+ has been specifically designed for use in gutter and rainwater applications and is ideally suited for metal-to-metal and metal-to-plastic joinery.

## Acoustical Sealants

Tremco Acoustical/Curtainwall Sealant is a single component, non-skinning, non-hardening synthetic rubber sealant.

# Fire Stopping

## Acrylic

Tremstop Acrylic, Smoke and Sound, Acrylic Spray.

## Silicone

TREMstop® Fyre-Sil is designed for use in firestop applications, including both joints and through-penetrations.

## Intumescent/Endothermic

GrabberGard EFC absorbs heat and provides a fire barrier against fire and smoke.

During a fire, GrabberGard IFC expands to maintain a tight seal against fire and smoke.

FS-ONE MAX - For effectively sealing most common through penetrations in a variety of base materials.

# Exterior Air and Vapour Barrier Systems

## Tremco Air Barrier Systems

Tremco air barrier systems include peel and stick rolls (no primer required) and roll or spray on products. Let JJB help you determine the right solution for your project.

## Spray Foam

ExoAir Flex is best suited as a thermal and sound barrier to be used in the perimeters around windows and doors.

## Henry Baker

Now offering a lineup of Henry Baker air / vapour barrier and waterproofing products.

# Interior Air & Vapour Barriers

## Ultra+ and Ultra x Pro

Air/vapour barriers are available in widths of 1 to 40 feet, in surfaces of 250 to 4,000 square feet, in black, white or clear and in eight different standard thicknesses.

Ultra + and Pro come in 6mil (+) and 10 mil (pro) thicknesses

# Insulation

## Thermal and Sound Control

Polyurethane spray foam insulates cavities and air-seals joints and penetrations. Class-A Fire Rated, two-component, quick-cure formulation

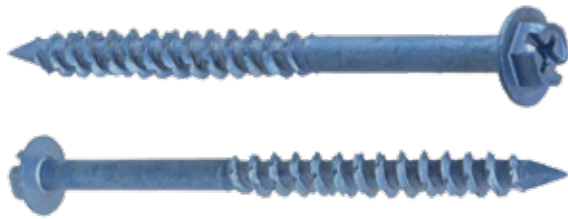

# Fasteners

**UCAN**  
FASTENING PRODUCTS

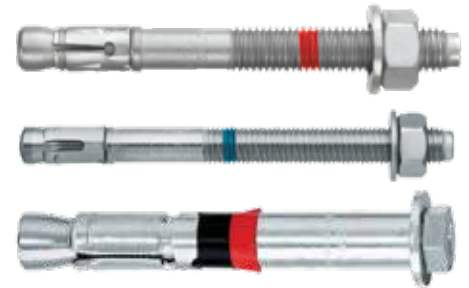

**HILTI**

UCAN SCRUIT® masonry anchors are manufactured to strict specifications from high quality steel. The proprietary, UCAN designed, scalloped thread cuts deep grooves in a wide variety of masonry materials (solid concrete, block, brick etc.) producing up to three times the holding power of comparable anchors

Hilti ultimate performance wedge anchors offer the highest performance in safety critical applications

# Concrete Repair

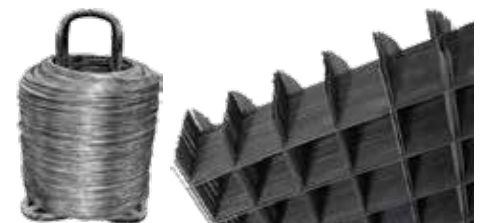

Grout | Repair Mortar | Brick and Block Mortar | Concrete Reinforcing

Sika/King is a specialty chemicals company with a globally leading position in the development and production of systems and products for bonding, sealing, damping, reinforcing, and protection in the building sector.

Euclid Chemical is a world leading manufacturer of specialty chemical products for the concrete and masonry construction industry. For over a century, Euclid Chemical has built a reputation on quality products, innovation, and putting people first.

JJB can ship directly to your project or warehouse, or you can pick-up from us.

# Concrete Coatings

## Polyurethane and Epoxy

Vulkem Hybrid Systems (PUMA/Polyurethane)

Vulkem Hybrid Traffic Coating Systems are high-performance vehicular systems integrating chemistries to defend against the most challenging applications.

# Insulated Concrete Forms

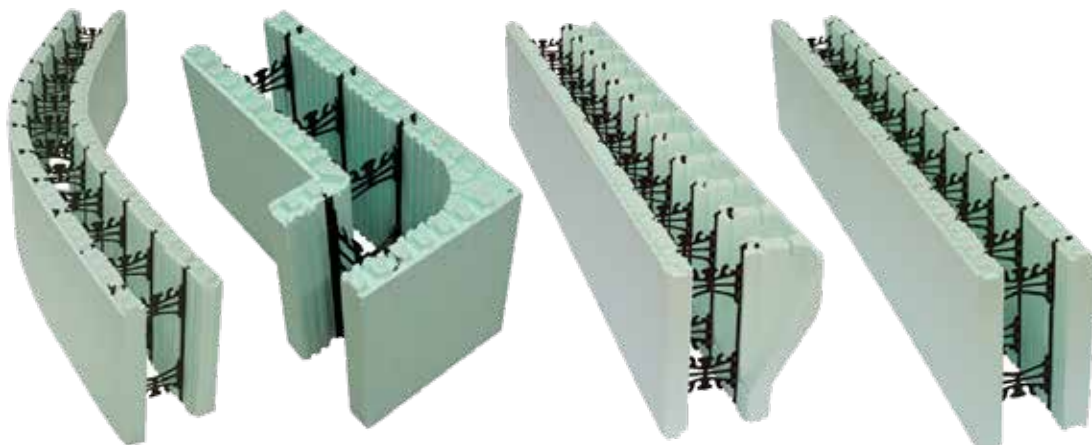

## ICF Block

Insulated concrete forms (ICF) provide you the freedom and versatility to design and build a structure the way it was envisioned.

## Exterior ICF Coatings

All exterior waterproofing, and wall coatings for these ICF blocks are provided.
